A Special Welcome to Our Guests

If you are visiting with us for the first time, we want to welcome you to our fellowship. At Maple we believe that the first time you visit you are our honored guest, the second time you are our friend, and the third time, you're family!

If you have already accepted Jesus Christ as your Lord and Savior and are looking for a church family, we would like you to prayerfully consider Maple. If you have never made a decision to follow Christ, then we hope that your heart will be touched by the music and message you hear today and that you might come to know the true joy that comes through a personal relationship with Jesus Christ. May God continue to bless you and enrich your life. We hope to see you again soon.
